

When the Light Grows Dim

**Some Pastors are not losing their passion.
They are losing the capacity to carry it.**

You can still love Jesus, love people, and believe deeply in your calling while being worn down by what you've carried.

Some things don't end when Sunday is over. Grief and conflict can follow you home. Even in quiet moments, you may be bracing for the next call.

THE HEARTBEAT

When the disciples returned, Jesus heard what they had done and taught. They had not had time to eat. He invited them to come away and rest.

MARK 6:30-32 / PARAPHRASE

Make room to recover.

Protect rest with someone else actually covering the work.

Bring care close.

Make room for trusted support and qualified professional care.

Change what keeps causing harm.

Share responsibility and change harmful expectations.

You do not have to carry this alone.

You can begin privately, with someone you trust.

A conversation about care, not a diagnosis or treatment plan.
