

Passion is powerful.

But without vision to focus it and mission to move it, passion becomes scattered energy.

LIFE-GIVING IMPACT

PASSION + VISION × MISSION = LIFE-GIVING IMPACT

PASSION
energy we bring

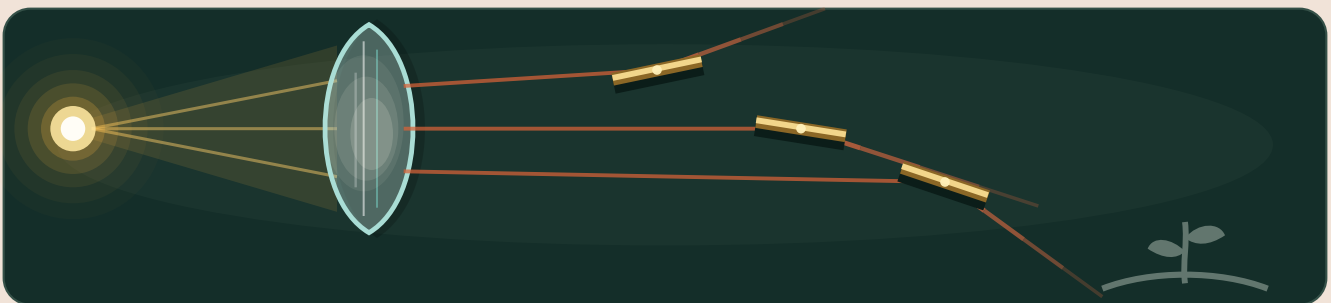

VISION
clarity that focuses

MISSION
direction we receive

IMPACT
faithful presence where God has called us

LIMITED IMPACT

PASSION - VISION / MISSION = LIMITED IMPACT

PASSION
the energy is still there

UNCLEAR VISION
leaves the energy spread wide

DIVIDED DIRECTION
pulls the work in different directions

LIMITED IMPACT
less reaches where it was meant to land

THE HEARTBEAT

Passion creates the energy. Vision brings it into focus.

Mission points it somewhere that matters. Impact happens where it lands.

Jesus knew why He came and stayed faithful to the Father's purpose. We align what we carry with where He is leading.

Only Jesus gives life.
